 Peer to Peer

WAASIMS DOCS - HOW TO INSTALL

IBM's Lotus Smart Suite Version 9.8
 Install options: You may install the complete Smart Suite OEM version or just Lotus Approach we recommend at a minimum to install Lotus 123 spreadsheet and Lotus Approach, If you do not have Microsoft Office Lotus Smart Pro Word Processor is just as good if not better than Microsoft Word and reads and writes Microsoft's Word .DOC format. In this case Install the complete package.
